The Lake this year seems unusually disinclined to "shut up." The ferry boat (Steamer Boston) made her daily trips across the Lake up to Saturday evening last, the 13th inst. The cold of Sunday night, however, caused so much floating ice, that the boat did not resume her trips on Monday morning, though the broad lake was still quite open upon that day and on Tuesday. The severe cold of Tuesday night, however,-the mercury standing at 9 below zero on Wednesday 13w3 morning, with a harsh N. W. wind,seems to be doing the work of a final closing, and should the wind subside, another day will probably suffice to bridge over the Lake with its icy covering.

ANOTHER DONATION VISIT

Mr. EDITOR :- The result of "Another Donation Visit," so kindly mentioned in your paper of the 10th inst., was an addition to the minister's actual possessions of one hundred and thirty dollars.

And besides, the good wife rejoiced in many articles very appropriately marked with the insignia of her realm. And the little folks of the house cackled in high glee over the treasures bearing their peculiar ear-mark.

The thoughtful and generous care of the people for the minister is infinitely Burlington, Vt., New York, greater and better than his fears.

Let blessings in the present and in the future and blessing in the earth beneath, and in the heaven above, be theirs.

Being a Hunting or open face or lady's or gentle-man's watch combined, with a patent self-winding improvement, a most pleasing novelty. ONE of the prettiest, most convenient, and de cidedly the best and cheapest time-piece for general and reliable use ever offered. It has within it and connected with its machinery, its own winding attachmen t.rendering a key entirely un-necessary. The cases of this watch are composed of two metals, the outer one being fine 16 carat gold. It has the improved ruby action lever novement, and is warranted an accurate time piece. Price, superbly engraved, per case of half dozed, \$204. Sample watches, in neat morocco boxes, \$35.

SILVER WATCHES! First class Hunting time-pieces for accuracy of movement, beauty of material, and

above all cheapness in price, these watches must insure universal

An imitation so faultless that it can hardly be detected by the most experienced judges. The Sale of these Watches in the Army is a source of enormous profit, retailing, as they very readily do, at \$25 and upwards. Many hundred dollars can be made in a single pay day by any one of ordinary business tact.

AT WHOLESALE ONLY! In heavy hunting cases, beautifully engraved, white enamel dial, and fancy cut hands, in good running order, by the half dozen, \$66. Sold only by the case of six!

Upon receipt of two dollars, as a guarantee of good faith, will send watches by express to any part of the loyal States, collecting balance of bill on delivery. This ensures buyers against fraud, giving them their watches before payment is required.

Soldiers in the disloyal states MUST remit CASH In ADVANCE, as the express companies peremptorily refuse naking collections in such dangerous localities. Remember, Cash in advance from within the army lines in rebel states! We guarantee the safe delivery of all Watches, whether they are sent by mail or express.
